DIGITIZING:
EU INC provides exceptionally high quality embroidery and it begins with the digitizing of the design. Our digitizer has 30 plus years experience and has worked with a vast number of high profile apparel companies in the fashion, retail and professional sports markets.

Minimum charge: $40.00 per design up to 3,000 stitches. Additional $15 per 1K stitches.

Send your artwork to eu@euinc.net (jpeg or vector art) along with ALL details including size of design, placement, number of colors and type of garment and fabric material to be embroidered.

EU will provide 1 pre-production swatch for review/approval. Additional sew outs will be charged accordingly. ALL new designs require approval.

EMBROIDERY:
ALL Purchase Orders should include repeat design name/number, placement, colors/color sequence. It is CRITICAL to include due/ship date for each order. Please avoid PO details such as " refer to previous order" or " same as before". Providing these details will ensure your order is completed correctly and on time. EU Inc. provides high quality embroidery and fast turnaround.
